Peace preacher's words
Are not so hard to dig
Wherever you come from
Whatever your language
Peace preacher's words
Are not so hard to dig
If you just can feel the music

Can you hear the bass
Shouting my anger ?
Can you hear nyabinghy
Chanting my love ?
(This sound)
Got a soul
(This sound)
A rebel soul

And if you hear you can feel
And if you feel you can dig

The message in this music

I don't need no gun
Don't need no knife
To set the pressure
Far from my life

Yes I try to touch your mind
So if you want to feel high
Roll your spliff and feel high
But open up your heart
And try to catch these vibes
Cause

Peace preacher's words
Are not so hard to dig
Wherever you come from
Whatever your language
Peace preacher's words
Are not so hard to dig
If you just can feel the music

Can you hear the bass
Shouting my anger ?
Can you hear nyabinghy
Chanting my love ?
(This sound)
Got a soul
(This sound)
A rebel soul

And if you hear you can feel
And if you feel you can dig

The message in this music
