I can't conceal it, don't you see?  
Can't you feel it?

Say, I do  
I do, I do, I do, I do, I do

Donna, let's try it  
You love me, don't deny it

Say, I do  
I do, I do, I do, I do, I do

Oh, I've been dreaming through my lonely past  
Now I've just made it, I found you at last  
So come on, now let's try it  
I love you, can't deny it

'Cause it's true  
I do, I do, I do, I do, I do

Oh, no hard feelings between you and me  
If we can't make it, we'll just wait and see  
So come on, now let's try it  
I love you, can't deny it

'Cause it's true  
I do, I do, I do, I do, I do

Love me or leave me  
Make your choice but believe me  
I love you  
I do, I do, I do, I do, I do

I can't conceal it  
Don't you see, can't you feel it?  
Don't you too?  
I do, I do, I do, I do, I do
