Having again my favourite dream
I want you baby, want you near
Take away the scary ghosts
I want you baby want you the most
'cause Im not weeping all the way
Im not in violence, no way
No Im not saying Im ok
Just keep my days to last
Yeah, Im in hope tonight
No Im not sleeping very well
It keeps my problems left alone
Im singing hey and Im awake again
Yeah, Im in hope tonight
No Im not sleeping very well
It keeps my problems left alone
Im singing hey and Im awake again
Having again my favourite dream
I want you baby, want you near
Take away the scary voices
Cause all I want right now, want you the most
Yeah, Im in hope tonight
No Im not sleeping very well
It keeps my problems left alone
Im singing hey and Im awake again
Yeah, Im in hope tonight
No Im not sleeping very well
It keeps my problems left alone
Im singing hey
Yeah, Im in hope tonight
No Im not sleeping very well
It keeps my problems left alone
Im singing hey
