Hey you,
Step aside
I can't
Stand you,
Tonight
I want to
Banish you,
Move aside
Tell me
What's
The problem?
I can
Barely speak,
Besides
I can't talk
You you,
Suicide
Hey you, there's
Something that
I would really
Love to do
Turn me
Inside out,
I'm going
To find you
So we can settle
This for good
There's a
Nevous
Little one
Stuck in me,
He's hiding
Somewhere
I don't know
Him all too well,
But i figure
If i do
He'll agree
To leave me
Alone and
Give me time
To find out

Who i am
