Sarah said she
wanted to be
a famous
movie star
no conspiracy at all
a black coat
a pink umbrella
now she is, now she's
singing in the rain

suzy said she loves
to cuddle trees
in the park
no conspiracy at all
fifty tons of water
streaming to the roots
of a wooden loverboy

louis said he
met the finest girl
he has ever seen
the same thing
he said last week
he's just tired of being
alone and he is alone
in being the best
friend I've ever had

if we go our own way
why shouldn't
we make it
a road through fields
fields of joy
better than this
it can never be
