Sunrise breaks it's fatal perfume  
And Im dizzy to distraction  
The scented clutches of a sirens lament  
Embrace the sound of enchantment  
Five fathoms deep, the lovers leap  
The lanterns of skin beckon us in  
O belladonna  
Nightfalls decent shrouds her intent  
In a halo of sharks and a skeleton mask  
O belladonna  
Daylight devours your unguarded hours  
Burnt and charred, this bride of scars  
O belladonna  
Lost in the glare, all of us stare  
The patterns of pain, scream out your name  
O belladonna
