Following desire in your eyes
Youre mine youre mine all mine
Following the signs ... in your mind
Youre mine, youre mine, all mine
Bring me the head of the preacher
Man in the sickening daze ...
O the rotting sun washes down
The moonshine boys
The vultures drool
... they pluck the gold dust from his eyes
& pick his bones until theyre clean
The book of sorrows -- the american dreams
Bring me the head of the preacher man
On the blazing trail
Heaven holds lonestar promise el dorado --
The insane theatre, once more we rise
To drain the last of liquid sleep
The gift of chance
Eating the worm ... as the v{por drops & dances
& everything stops & dances
Bring me the head of the preacher man
We tumble down these lonely days
We tumble down
