This is the happy house-were happy here in the happy
house oh its such fun
Weve come to play in the happy house
And waste a day in the happy house-it never rains

Weve come to scream in the happy house were in a
dream in the happy house
Were all quite sane

This is the happy house-were happy here theres room
for you if you say I do
But dont say no or youll have to go
Weve done no wrong with our blinkers on its safe and
calm if you sing along

This is the happy house-were happy here in the happy
house. to forget ourselves-and pretend alls well there
is no hell.
