Sioux: vocals
Severin: bass
Budgie: drums
Mcgeoch: guitar, sax

Its a hybrid of me-Im a hybrid of he
Youre a misfit of me-Im a misfit of you ...in limbo

Carbon copies run blue-a reminder for you but theyre
only skin deep crumpled shells in a heap marked
cheap

Surrogate heads of a no-no domain
Shoulders form rows to make waves again catch the
next train

When you walked through that door marked enter if
you dare reasoned with a friend marked do not bend
bit on that finger marked handle with care

A tear soiled your cheek-a broken finger on the floor a
mess in sawdust-a shop window burst..no repairs

Its a hybrid of me-Im a hybrid of he
Youre a misfit for me-Im a misfit for you in limbo.....do
you speak the lingo?
