"Ice House"

The ice house preserves
With incestuous flowers
Their nightly perfume overpowers me
The stamens kiss
Entwined devouring
The heart will melt whilst the ice remains

Erogenous touch-of brother and sister
The ice retains life-no offspring to bear phallic flower
etched into my memory
A feline form on a frosted pane

Not ashes to ashes
Not dust to dust
A beckoning bouquet
Of blossoming lust

Oh will you stay-until this moments complete? oh let me
freeze you-with this fragrance so sweet we shall not
slither and wither away
The door will lock shut-when the ice names the day
