Siouxie And The Banshees "Love In A Void"

Too many fools blocking my motion Clouding my eyes...must be the potion Spots on my eyes...must be the lotion Love in a void...it's so numb Avoid in love...it's so dumb Love in a void

Too many bigots for my liking Too many critics...too few writing Rabid dogs that aren't biting

Love in a void...it's so numb Avoid in love...it's so dumb Love in a void

Jaded reputation on which you're staking Lots of money for the making For all the stars they're just faking

Love in a void...it's so numb Avoid in love...it's so dumb Love in a void
