Its just a habit  
When I reach to the packet  
For my last cigarette  
Until the day breaks  
And then my hand shakes  
But it its just driving me insane  
When the smoke gets in my brain  
I cant resist it  
Chorus:  
Wallow in that ash bath  
Soaking up the fumes  
And see the nicotine stain  
Start to spread

Im so congested  
Cos north, south, east and west  
Catarrh rests on my chest  
Congealed and twisted  
Cough up and shift it  
But I can feel my lungs collapse  
Sinking deep into my lap  
Im so useless

Chorus

Im so useful  
If you dont want to fight  
Just give your foe a fright  
Say youll drop me  
On every country  
See all will be stone dead  
When the nicotine stain spreads  
Just light me
