Sioux: vocals, rhythm guitar

Severin: bass

Budgie: drums

Jones: lead guitar

Look to the hills-now look at my face
Do you notice my eyes-are they in the right place?

There's a mantovani backdrop-to pucker-up a tummy
tuck a voice soft as lint-mashed up with shades of pink

You can hide your genetics under drastic cosmetics but
this chameleon magic is renowned to be tragic

Look to the hills-now look at my face
Do you notice my eyes-are they in the right place?
