"Running Town"

Just a step onto the street
An uncomfortable heat
Rattlers at your feet
In running town
Helter skelter all a-swelter
The impetus is seething
In running town
A thousand curses
Full speed ahead

Lockjaw aggression
& buzzing imitations
Deride the friendly martian
In running town

Helter skelter all a-swelter
The impetus is seething
In running town
A thousand curses
Full speed ahead

If you gaze into her face
Shell come back & drown
All refugees in the sea
Of running town

A thousand curses
Full speed ahead

Laughter rebounds & strangles
That sound in running town
