"Suburban Relapse"

Im sorry that I hit you
But my string snapped
I sorry I disturbed your cat-nap
But whilst finishing a chore
I asked myself what for
Then something snapped,
I had a relapse...a suburban relapse
I was washing up the dishes
Minding my own business
When my string snapped
I had a relapse...a suburban relapse

[should i]
Throw things at the neighbours
Expose myself to strangers?
Kill myself or...you?
Now memory gets hazy?
I think I must be crazy
But my string snapped
I had a relapse...a suburban relapse
(repeat last four lines)
