"Take Me Back"

Deep in the heart
Of a seething beast
Think of bright lights
A splendid feast
But somethings missing
Shes feeling low
Somethings missing
Shes going home

Take me back -- Im feeling low
Take me back -- Im going home
Take me back -- Im so alone
Take me back Im travelling home

Suspicious stranger
Theres something wrong
She is changed
Ah but this is not

She is back
But shes not home
She is back
But shes still alone
She came back after all this time
She came back to warning signs
All is black when the lights are on
Nothing rhymes its been so long

Deep in the heart
Of a seething beast
Think of bright lights
A splendid feast
Where you arrive
Can be home
Where you come from
Isnt always home

Take me back -- Im coming home
Take me back -- where I belong
Take me back Im leaving home
Take me back Im coming home
