

Siouxie And The Banshees "Tenant"

Visit "[Tenant](#)" on MotoLyrics.com

Sioux: vocals, acoustic guitar

Severin: electric guitar, electric sitar, rhythm box

budgie: bass, drums

Squatting on doorsteps-following footsteps nocturnal
habits are surveyed with interest so we crawl into
corners-ignore any callers and imagine our radiators
clang for our neighbors

When we crawl on all fours-upon the cushioned floor
still they cling to the wall + knock on our doors and the
tendency for tenants is tenacity the paint is cracked
and the paper peels the plaste
Ls and the body reels...softly

Forty watt bulb swing from a light cloud on lawnmower
groan, the carpet has grown but they have eyes at the
keyholes and ears at the walls and the tendency for
tenants is secrecy.....ssssssh.
