Stare case lying face up  
Stare cat on a mat  
Looking down  
Slide down the banister  
Take the escalator  
Slide down the banister  
Or try the elevator  
I was standing on the landing  
Now I'm standing in the hall  
Looking up

Won't someone assist me  
Solve this mystery  
Somebody assist me  
Arrange the symmetry  
Muffled footsteps on the carpet

Spiral steps start spinning  
Around me  
Which floor which ceiling  
You're off balance  
Which floor which ceiling  
It's all upside down  
Stare case lying face up  
Stare cat on a mat  
Looking down...
