This is the time to make things right  
But I can't go on  
And all these people with their lives so stable  
They're in denial, hit the ground but in style today

What have we got to lose?  
Can't you see, call me crazy but  
I can't live like this  
What have we got to lose?  
Can't you see, call me crazy but  
You're scared of the risk

No intuition to feed my soul  
I'm trapped behind these walls  
But I'll pack my bags and bid farewell  
To everything that I know, I know

What have we got to lose?  
Can't you see, call me crazy but  
I can't live like this  
What have we got to lose?  
Can't you see, call me crazy but  
You're scared of the risk

Have you ever felt trapped  
Or tied down?  
Have you ever felt stuck  
Or tied down?

Have you ever felt trapped  
Or tied down?  
Have you ever felt stuck  
Or strapped down, strapped down  
Strapped down, strapped down?

What have we got to lose?  
Can't you see, call me crazy but  
I can't live like this  
What have we got to lose?  
Can't you see, call me crazy but  
You're scared of the risk

What have we got to lose  
I said, "What have we got to lose  
Call me crazy, I'm crazy, yeah"
