Seasons change,
Your life I can rearrange.
Time for the change,
Things will never be the same, yeah.

What's the absence of my answers?
Seems like I gave them all away.
Hear me now I've got to tell you,
Just the pain I felt today.

And if you take a walk with me,
I'll hold your hand and let you be,
Yes you've got to see what's happened to me,
I'm gonna take you there. Yeah.

Seasons change,
Leaves i've left you by the name, yeah.
Break those chains,
I will never be again, uhh.

What's the absence of my answers?
We knew them all and gave them all away.
Hear me now I've got to tell you,
Just the pain I felt today.

And if you take a walk with me,
I'll hold your hand and let you be,
Yes you've got to see what's happened to me,
I'm gonna take you there. Oh no. Oh.

(ahh)

Seasons change
Your life I can't rearrange
Rearrange, yeah.
