Rain, rain, rain, rain
My tears keep tumbling down
I haven't ssen my baby
Since I left this town

Rain, rain, rain, rain
My pillows soaking wet,
You broke my heart
And I aint over it yet

Rain, rain, rain, rain
Like to see my girl again
Rain, rain, rain, rain
Whyd you cause me so much pain

Rain, rain, rain, rain
My pillows soaking wet,
You broke my heart
And caused me so much pain

Rain, rain, rain, rain
Like to see my girl again
Rain, rain, rain, rain
I wanna see you again

Please rain, come on, rain
Whyd you cause me so much pain
You broke my heart
And you caused me so much pain

Rain, rain, rain, rain
Like to see my girl again
Rain, rain, rain, rain
I wanna see you again
