### "A Mental Symphony"

Sleep in the fire, in thorns and decay  
Dreams and desires they have all been a waste  
I'm getting closer, so close to awake  
So close to what life's been, yet still so far away

Dancing through days...  
Where the pain ascend in a thousand ways  
Dancing through nights...  
Where the darkness strikes me from inside  
Dancing through life...  
Where it's strife enshrines all my desires  
Dancing through death...  
A dance with the devil and a flirt with the dead

Leaving the fire, abandon the flames  
Lost in denial, all your life's been in vain  
Life growing colder, it's closing in on you  
I know you're going down, but there's no more I can do

Calm me down to the sound of my insanity  
Voices screaming, astral dreaming  
A mental symphony...
