Now I'm your big mal dropper, mud duck stopper  
Fila on the bottom and Adidas on the topper  
Transform scratchin', big beat matchin'  
I can tell you're getting jealous by the look I'm catchin'  
I hate dumb skeezers, MC beater  
Drop 5 grand on my bird white needer?  
Smooth like ice, don't get nice  
Just turn up the box for the Mix-A-Lot slice (huh huh)

Y'all ready to get busy? (huh huh!)  
Now, buttermilk biscuits here we go  
Zip the flour roll the dough  
Clap your hands and stomp your feet  
Move your butt to the funky beat (huh huh)

Buttermilk biscuits (x 3)  
(Lord have mercy Mix-A-Lot's our here rappin' about  
biscuits now)

We from L.A. to the Carolinas  
Dip them suckers in Aunt Jemima  
Don't make a difference what food you make  
Use buttermilk biscuits to clean your plate  
You eat 'em in the morn', you eat 'em at night  
Kentucky Fried Chicken makes the suckers just right  
I am eat 'em with jelly it's my favorite deally  
Wrapped and sealed by a freak named Shelley (huh  
huh)

Buttermilk biscuits (x 3)

One day I kissed my freak, hit the street  
Looking for something to eat  
In a 18-wheeler, lookin' real swass  
All the girls smile 'cause I'm the big boss  
And I gotta eat now, can't eat later  
Made a lot of noise to attract my waiter  
The boy walked up, and what did he say?  
"Say, buttermilk biscuits free today!"  
So what you waitin' on boy, get up shake a leg  
Gimme 10 of them suckers with grits and eggs  
A glass of Koolaid and a whole stick of butter

Them biscuits make me a superfast cutter (huh huh)

Now grab that can and wrap it in your hand  
Bang that sucker till it don't expand  
Cook them suckers up in your oven  
Grab your girlie and get a little lovin'  
Add a bag of honey if you want to get funny  
Microwave the suckers if you want your honey runny  
Kinda get naughty at the Mix-A-Lot party  
And rub them suckers all over your body (huh huh)
