Now im your big moe dropper, mud duck stopper  
Feetle on the bottom and adidas on the topper  
Transform scratchin, big beat mackin  
I can tell ya getin jealous by the looks im catchin  
I hate dumb skeezers, MC beater  
Dropped five grand on my bird wide meter  
Smooth like ice, dont get nice  
Just turn up the box for the mixalot slice  
Look good  
Ya all ready to get busy (HOO HOO)  
Now buttermilk bisquits here we go  
Hit that flower, roll that doe  
Clap your hands and stomp your feet  
Move your butt to the funky beat  
Look good  
Buttermilk Bisquits  
Them buttermilk bisquits  
Buttermilk bisquits  
Lord hey mercy mixalot rappin bout bisquits now  
From LA to the carolina  
Dip them suckers like it aint ya momma  
Dont make a difference what food you eat  
Use buttermilk bisquits to clean your plate  
Ya eat em in the morning, Ya eat em at night  
Kentucky fried chicken makes them suckas just right  
I eat em with jelly as my favorite delly  
Rap them seal by freak named shelly  
Look good  
Buttermilk bisquits  
Buttermilk bisquits  
Buttermilk bisquits  
One day i kissed my freak, hit the steet  
Lookin for somethin to eat  
Got a 18 wheeler, lookin real smalls  
All the girls smile cus im the big balls  
Say i gotta eat now, cant eat later  
Made a lot a noise to attract my waiter  
The boy walked up and what did he say  
He said buttermilk bisquits free today

Grab your girlie and get a little loveing  
Add a dab a honey, if you wanna get funny
