(Paroles : Pierre Grange / Musique : Sire)

My girlfriend heard it at 10 am  
Between two coffes and an "aspirine"  
The news were talking about methedrin  
Four policemen needed to arrest him

Simon and his blonde were speeding in a car  
Bought on credit (after our first deal  
With a record label called "12 bar"  
My pal had no licence to kill

(Refrain)

It's a bad day for the rebel  
A bad day for the free  
It's a good day for the label  
A good day for the fee

My girlfriend told me at 11 am  
Between a blow job and her tbrush  
"Your best friend Simon has killed an old man  
Who ran across the street, on the rush"

Tabloids talked about methedrin  
I only knew Simon had drunk too far  
A politician said : "We must stop cheating,  
When kids rock their mind off, they can't roll with a car"

(Refrain)

It's a bad day for the rebel  
A bad day for the free  
It's a good day for the label  
A good day for the fee

(Pont)

At 12 am, my girlfriend said,  
I was speeding, and my girlfriend said : "go ahead"  
I was bored about her, but she said : "go ahead,  
Don't look back, you got to go ahead"  
I was staring at an old picture book, she said "Turn  
your head...  
... off that asshole.

'Cause your old friend Simon is an asshole"

(Refrain ad lib)

It's a bad day for the rebel

A bad day for the free

It's a good day for the label

A good day for the fee
