(To C?cile T)

(Paroles : Sire - Dickinson / Musique : Sire)

She's my man

State versus action

We are what we are

But the action is dependent on the state

Nature's revenge or

Nature's sense of humor ?

Nature's Revenge

She's my man

(Refrain)

She's my man

Its bittersweet / Its bittersweet

Its stranger than me

Its tragic - its magnetic

Is this love ?

My platonic platitude (bis)

Why does she do this to me

Does she even know

How she affects me ?

(Refrain)

She's my man

Its bittersweet / Its bittersweet

Its stranger than me

Its tragic - its magnetic

She's my man

We could be rivals

But I could not compete

With her or for her

She has my heart

She has me

She's my man (bis)

(Refrain)

She's my man (...)

But her heart is with another
And if that ends
She will be with another
And that "other"
Can never be me
