DJ spin your dirt, watch those people work  
Move, grind, side to side  
Watch the shadows collide

DJ, spin your dirt, watch those people flirt  
What y'all waitin' for, get up close  
Take it to the floor

I see you around and you're lookin' so fly  
And I'm wonderin' why, if you'll be wastin' my time  
So I'm biggin' you up and I'm breakin' you down  
You're drivin' me crazy

(Chorus)  
And it's all like la la la...  
And it sounds like la la la...  
In the club like la la la...  
And it goes like la la la...

DJ serenade, we don't wanna wait  
Up down, spin your sound  
Night crawl, dance underground

DJ entertain, give me what I crave  
Move close, change the pace  
Use your hand, do you feel my heart race?

I see you around and you're lookin' so fly  
And I'm wonderin' why, if you'll be wastin' my time  
So I'm biggin' you up and I'm breakin' you down  
You're drivin' me crazy

(Chorus)  
And it's all like la la la...  
And it sounds like la la la...  
In the club like la la la...  
And it goes like la la la...

[Rap]

And it's all like  
And it sounds like

In the club like  
And it goes like
