It was never gonna be easy  
So don't you try and please me  
Another one hits the highway  
Cos I always want it my way  
E.A.S.E YZ  
It comes as no surpriszee  
It was never gonna be easy  
So go on try and please me

I said that's the joint  
That's the jam  
Turn that shit up, spin it again  
Breath and stop - breath and stop  
I don't wanna lose my coolio  
I don't wanna lose my cool  
Breath and stop - breath and stop

You know I'm never easy  
So go on try n leave me  
Try keepin' my temper at bay  
If you let me have my way  
E.A.S.E YZ  
You don't want me to cryzee  
You know I am never easy  
So go on try and leave me

I said that's the joint  
That's the jam  
Turn that shit up, spin it again  
Breath and stop - breath and stop  
I don't wanna lose my coolio  
I don't wanna lose my cool  
Breath and stop - breath and stop

It's so easy, you should try n please me  
And I'm worth it all so watch me work it y'all  
It's so easy you should know what to do
