"Rockstar"

Gonna hip to the rock
Cause we all love hip-hop
Cause we all rock
With a little kick of punk rock
Gotta give what we got
Cause we know what we're not
But we're damn hot
You can shout it from the roof tops

What should I do? I better ask you
Who should I be? is it up to me?
What should I do? I better ask you
Who should I be? is it up to me?

I wanna be a rockstar, I wanna be a rockstar
I wanna be a rockstar, we'll be the coolest chicks when
we rock

Let ya pants hang low, gonna rock those shell toes
And we're gonna blow - y'all ready to go?
And it's all like so shout yo
If ya gettin my flow
Hands up y'all
Y'all ready to go?
Shout yo

Y'all up in the crowd
People gather round
Throw your hands up
Two step to the sound
Ya chillin in the back
Ya easy like that
Nod ya head yeah
Front to the back
We do it like that
Like that
We do it like that
