Abstract Nexion

Echoes of reminiscence pounding inside

Silence is screaming my name

Screaming your name

Have you ever met your Demon...?

7th Portal Connection

Transformation's wormhole unveils an alien maelstrom

Beyond reckoning

A sun spreading it's rays in multiple tones

And spectres emerging from chasms of light

Overwhelming hydrogenous stellar art

Deep black gateways lead to untrodden plains

Beyond the furthest nebulae

Eerie corridors into immeasurable destinations

No regret.

No looking back.

Never question.

For life was but a poetic artifice...
