Watch the time
Wait for me
Patience is reality
I don't know how it feels
No, I can't see with your (foot in my face) x 4

I don't know how it feels
I can't decide

No, I can't see
With your nose in my business
Your ass in my space
Your life
As my problem
Your foot
In my face

(X 5) I won't
I can't
I'm lost
I'm a freak

Trust my lie
And you will die
I can't succeed
Now I can't fail
I don't know
How it feels
I can't decide

No, I can't see
With your nose in my business
Your ass in my space
Your life
As my problem
Your foot
In my face

(X 4) I won't
I can't
I'm lost
I'm a freak... YEAH!

Searching for things
I can't see
Mountains in front of me
No nothing will conquer
My existence
Fear will not 'scover
My brain

(X 3) I won't
I can't
I'm lost
I'm a freak

I'm a freak (x4)
Yeaaah, nooooo,
I'm a freak, I'm a freak, no cause I'm a freak (x2)

I'm a freak (x3)

(Low x 4) Your foot in my face
