Nothings wrong
I'm just wasted
All the time that I've tasted
Take me back on a time trip

Won't you take, just take me, take me back?
Won't you take me back then, just take me back then?
Won't you take me back then?
Why don't you take me?

Nothings wrong
I'm just wasted
All the time that I've tasted
Take me back on a time trip

Won't you take, just take me, take me back?
Won't you take me back then, just take me back then?
Won't you take me back then?
Why don't you take me?

Why don't you take me?
Why don't you take me?
Why don't you take me?

Nothing's wrong
I'm just wasted
I'm the one who's tastin'
All the time that I'm faced with

Won't you take, just take me, take me back?
Won't you take me back then, just take me back then?
Won't you take me back then?
Won't you take me back then, just take me back then?
Won't you take me back then?
Why don't you take me?

Why don't you take me?
Why don't you take me?
Why don't you take me?
Why don't you take me?
