Feel so low,  
Too low to get high,  
Trying to remember,  
Trying to survive.

Passing by,  
Another day,  
Nothings changed,  
I made the same mistake,  
I made yesterday (X2) Yesterday!

I struggle not to fall into a world of nothing,  
Cause its too late,  
Already here,  
I dont want to talk about the fucking situation,  
Its to late,  
I'm already dead.

Passing by,  
Another day,  
Nothings changed,  
I made the same mistake,  
I made yesterday. (X2)

Yesterday! (x4)
