Since I know how low to go I wont let it show Won't you touch me touch me, I won't let it go And now I stand, and I peel for more. Won't you touch me touch me, I won't let it go

Yes I've finally found a reason I don't need an excuse I've got this time on my hands You are the one to abuse

Yes I've finally found a reason I don't need an excuse I've got this time on my hands You are the one to abuse One to abuse

You're always talking back to me You won't let it be, won't you touch me touch me It never bothered you before Now I stand and I peel for more, wont you touch me touch me, i wont let it go

Yes I've finally found a reason I Don't need an excuse I've got this time on my hands You are the one to abuse

Yes I've finally found a reason I Don't need an excuse

I've got this time on my hands You are the one to abuse One to abuse

Ooohh Yeeahh Yeah Ooohh Yeeahh Yeah

Yes I've finally found a reason I Don't need an excuse

I've got this time on my hands You are the one to abuse

Yes I've finally found a reason I Don't need an excuse I've got this time on my hands You are the one to abuse

Yes I've finally found a reason I Don't need an excuse I've got this time on my hands

I've got this time on my hands I've got this time on my hands I've got this You are the one to abuse I've got this time on my hands I've got this time on my hands I've got this You are the one to abuse One to abuse One to abuse

Ooohh Yeeahh Yeah Ooohh Yeeahh Yeah
