Hook

You in the line girl
Gon Act A Donkey
In VIP homie
Gon Act A Donkey
You by the bar man
Gon Act A Donkey
Get on the floor
Gon Act A Donkey
Pull your shirt up
Pull your skirt up
This type of party's
Unheard of
Where your money at
Throw it way up
Drinks on me
We gon Act A Donkey

1st Verse

Now that I'm inside
I think I want a drink
Pass the bottle of
Jose Cuervo

Go tell the DJ
to turn this beat up
Tell the bartender
try to keep up

We bought to tear the club up
We bought to get messed up
Security might get beat up'
From this drink in my cup
Let's go
