Uh
(Girl I think about you)
(Damn when don't I think about you)
(Everyday, Every-night)

Yo it's hard for a nigga to talk about
stuff like this but .. damn

(I guess I guess all I can say is)
(Im addicted, addicted to loving you)

I know your busy but I must intercede
girl I know I don't deserve you
That's why it's still hard to believe that
we're still together after all this time
and I can't get you outta my mind

[CHORUS]

I'm addicted to lovin' you
(Baby said I'm addicted)
I'm addicted to lovin' you
(Don't you know baby)
I'm addicted to lovin' you
(Baby yes I am)
I'm addicted to lovin' you

oh yea
oh yea

These types of feelings are so hard express
Darling I must confess that it's got to be real love
Oh girl I'm feenin if you know what I mean
Cause everyday i've got to have you like an addict on
nicotine
Excuse my expression but its making me weak
Cause every day i've got to be wit you
(Baby)

It's not just a physical thing
(It's not just)
(Alright)

Cause I'm addicted to lovin' you
(Baby)

[CHORUS]

I'm addicted to lovin' you
(Alright Alright)
(Said I'm addicted)
I'm addicted to lovin' you
(Baby can't do anything)
I'm addicted to lovin' you
(Can't do anything, so I sing I sing I sing)
(Cause baby your love)

Your love so good to me it
(It's so good to me)
(it makes me, it makes me so happy)
makes me happy all the time
(Yeah Yeah)
No other love compares to yours and mine
(No other, other)
(Compares to, compares to)
(Yours and mine oh mine oh mine...)

I'm addicted to lovin' you
(I'm so addicted)
I'm addicted to lovin' you
(An I don't know what to do)
I'm addicted to lovin' you
(cuz i i i am addicted)
I'm addicted to lovin' you

You know I'm addicted(4X)

Addicted to lovin' you

[FADING AWAY]
