[Sisqo]

I've told myself time and time again
that I'm not in love with you
And then
it came to me
one night in a dream
you mean more to me than I wanted to see
there is nothing I can do
to stop it
even though you're with somebody else

if I didn't really care, why were you there?
the color of you eyes, the scent of your hair
i know dreams aren't reality
but you're so real
so real to me

[chorus]

it took a dream to tell me that I love you lady
I couldn't see that you were always there for me
Remembering the time we shared together
came clear to me one night
in love

[sisqo]

Tossed and turned and broke a sweat
of with tears my pillow's wet
i'm drowning
in a river of my homelessness
and only you can save me now
i've got to find someday, somehow
to let you know
how i feel inside
cause it's so obvious and hard to hide

if I didn't really care, why were you there?
the color of you eyes, the scent of your hair
now i know dreams ain't reality

but it's so real
so real to me

[chorus]

it took a dream to tell you that I love you lady
I couldn't see that you were always there for me
Remembering the time we shared together
it came clear to me one night

[chinky]

and it came clear to me one night
i am in love
and what can i do
and what can i say
to let you know that i feel the same
please don't walk away
cause i know i can't be wrong

[sisqo]

and my dreams they can't be wrong

[chorus]

it took a dream
to tell me that i love you baby
cause i could not see that you were always there for me
remembering all of the times we spent together

[sisqo]

came clear to me one night

[chinky and chorus]

it came clear to me one night
it took a dream
to tell me that i love you baby
cause i could not see that you were always there for me
remembering all of the times we spent together

[sisqo]

came clear to me one night
i fell in love
