VERSE 1 Do I have to grab the back of your neck? / To make you listen to me / Do you have to see me flashing my dough? / Or waving my Rolley / It's the yeah, yeah / Baby can't a get a hit of you / What's up? What's up? / Come on, I like to touch / I got to figure out if your down too cause / CHORUS I got to get it / You won't forget it / Kiss you under your navel / I'll go where he won't go / I got to get, got to get it / Just let me hit just let me hit it / I'll kiss the lips under the navel / I'll bet he won't go where I go / VERSE 2 Listen, now baby I can be a better man / Better yet a gentleman / Flying to Japan and back again / Let's spend a weekend in Puerto Rico / And baby wait till I'm finito / Cause I'm fiending yeah, yeah / And I got to get a hit of you / What's up? What's up? / Come on, I like to fuck / I got to figure out if you're down to go, baby, baby yeah / CHORUS I got to get it / You won't forget it / Kiss you under your navel / I'll go where he won't go / I got to get, got to get it / Just let me hit just let me hit it / I'll kiss the lips under the navel / I'll bet he won't go where I go / Make It Hot Uh, uh, uh / What's your goal baby ho? / Get you hot, sip the Mo' / And get the dough baby / We can do it how you wanna let me know baby / If I got it you can get it that's for sure baby / Or hit the door baby / My man will treat you right / Won't you be the freak I know and give me head all night? / If you think somebody's looking girl turn off the lights / We can do it where you wanna, where you wanna, how you wanna / Let me keep it tight, I make it hot / Lick in between your legs and won't stop / From the back, from the front, you on top / Had to get it, had to hit it, non-stop / CHORUS I got to get it / You won't forget it / Kiss you under your navel / I'll go where he won't go / I got to get, got to get it / Just let me hit just let me hit it / I'll kiss the lips under the navel / I'll bet he won't go where I go
