Sisqo
"How Can I Love You 2Nite"

Tonight
I couldn't wait to get with you
'Cause you really turn me on
I had to do ya babe
But I knew that you were wrong

Don't stop
Love is feeling good to me
And you can have it all
Come give it to me baby
'Cause I know you like to bone

How can I love you tonight?
When you know that I love somebody else
And I know that you're not mine
How can I love you tonight?
Oh baby, I know you're not mine

Ooh, yeah, uh listen
All night I wanna give my love to you
Come on take it deep inside
Come on baby let's ride
Ooh girl you feel so tight
Don't come baby please wait for me
Just think of where we're gonna be
Let it rain on me
Ha, so sorry we can peak baby

How can I love you tonight?
When you know that I love somebody else
And I know that you're not mine
How can I love you tonight?
Oh baby, I know you're not mine

Listen stand in front of me
(Stand in front of me)
So I can see
(Sexing you all night)
(Tell me what's on your mind)
Oh baby, oh why don't you
(Give yourself to me)
Give your, said give your

Said I know I shouldn't tell you 'cause
I know you're not mine

No, no, no, no, uh, said
You and me, girl it's not the way it's supposed to be
But I can't help myself, uh 'cause I don't want nobody
else baby
How can I?

How can I love you tonight?
When you know that I love somebody else
And I know that you're not mine
How can I love you tonight?
Oh baby, I know you're not mine

How can I love you tonight?
When you know that I love somebody else
And I know that you're not mine
How can I love you tonight?
Oh baby, I know you're not mine

How can I love you tonight?
When you know that I love somebody else
And I know that you're not mine
How can I love you tonight?
Oh baby, I know you're not mine
