Tonight  
I couldn't wait to get with you  
Cause you really turn me on  
I had to do ya babe  
But I knew that you were wrong oh  
Don't stop  
Love is feeling good to me  
And you have it all  
Come give it to me baby  
Cause I know you like to bone oh

1 How can I love you tonight?  
When you know that I love somebody else  
And I know that you're not mine  
How can I love you tonight?  
Oh baby I know you're not mine

Ooh, yeah, uh listen  
All night I wanna give my love to you  
Come on take it deep inside  
Come on baby let's ride  
Ooh girl you feel so tight  
Don't cum baby please wait for me  
Just think how wet we're gonna be  
Let it rain on me

Ha, so sorry we can peak baby

Repeat 1

Listen stand in front of me  
(Stand in front of me)  
So I can see  
(Sexing you all night)  
(Tell me what's on your mind)  
Oh baby, oh why don't you  
(Give yourself to me)  
Give your, said give your  
Said I know I shouldn't tell you cause  
I know you're not mine  
No, no, no, no, uh, said  
You and me, girl it's not the way it's supposed to be

But I can't help myself, uh cause I don't want nobody  
else baby  
How can I?

Repeat 1 till end
