

## Sisqo "Not Afraid"

Visit "[Not Afraid](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Yo, I swear, I been through it all  
And I pray that I never fall, God protect me  
And I swing my dragon chain, all my dogs with me  
Just to set the record strait homey

I'm not afraid, shit, no, I'm not afraid of anything  
And I swear that I'm goin' not be young forever  
You could pump ya fist, you could pump ya disc  
I'm a never miss with a track in the back as crunk as  
this

On the wall I'm a place my name  
If my dog, then you do the same as you with me, yeah  
Every ghetto, every hood, time to make it understood  
Now sing, sing it

I'm not afraid, no, I'm not afraid of anything  
And I swear that I'm goin' not be young forever  
You could pump ya fist, you could pump ya disc  
I'm a never miss with a track in the back as crunk as  
this

I'm not afraid, no, I'm not afraid of anything  
And I swear that I'm goin' not be young forever  
You could pump ya fist, you could pump ya disc  
I'm a never miss with a track in the back as crunk as  
this

And ya'll don't understand what happened with my  
mans and them  
Yes, I ride for my, I ride for my, I die for my, I die  
And now that they're gone I feel so all alone  
But I'm gonna be okay as long as the hood with me,  
yeah

I'm not afraid, no, I'm not afraid of anything  
And I swear that I'm goin' not be young forever  
You could pump ya fist, you could pump ya disc  
I'm a never miss with a track in the back as crunk as  
this

I'm not afraid, no, I'm not afraid of anything

And I swear that I'm goin' not be young forever  
You could pump ya fist, you could pump ya disc  
I'm a never miss with a track in the back as crunk as  
this
