The Dragon (echoes 5x)

What I'm about to do/ I'm sure nobody expected/ but
that's what I do
Ya'll know me/ ya'll no me now(?) I'm about to release
the dragon

Here I come
Niggaz hold me back
Tired of holdin back
Now I'm about to let the dragon attack
Who? You
So get out my way
It's a new millenium
It's a brand new day

Thugged out niggaz, bugged out niggaz
I don't really care Ya'll all my niggaz

I'm about to let the dragon out (na na na na na)

Ya'll niggaz gon make me unleash the dragon
I know you don't really want to unleash the dragon
Niggaz if you hear me say yeaaaaa
Shorties if ya hear me say yeaaaa
Ya'll niggaz gon make me unleash the dragon
I know you don't really want me unleash the dragon
Niggaz if you hear me say yeaaaaa
Shorties if ya hear me say yeaaaa

So what's the dragon? What's the dragon?
It's when you're tired of holdin ya style in
Niggaz got me pissed like Lil' Kim
So I'm about to switch the industry again
So hands up shorties, stand up shorties, I'm about to
shake your whole land up
shorties

We about to let the dragon out(na na na na na)

Ya'll niggaz gon make me unleash the dragon
I know you don't really want to unleash the dragon

Niggaz if you hear me say yeaaaaa
Shorties if ya hear me say yeaaaa
Ya'll niggaz gon make me unleash the dragon
I know you don't really want to unleash the dragon

Niggaz if you hear me say yeaaaaa
Shorties if ya hear me say yeaaaa

Yea yea yea yea yea yea yea yea
