Yo we gonna try somethin a little different
Yo make make my voice a little more distorted
Yeah I don't know if they ready for this
(Yeah yeah)
Uh uh bass
(Yeah)
Uh uh bass
(Yeah)
Uh uh bass
(Yeah oh yeah yeah)
Uh uh verse *[repeat throughout verse]*

Last night we had an argument
Afterwards I'm feelin pretty bent mmm
Then I took a drink
And I didn't think
That was the storm for me

[BRIDGE]

You don't know you don't know how she'll take it
Tell me what is a good man to do
Will she cherish your heart will she break it
Cuz you are everything and everything is you
Sing

[CHORUS]

You are everything
And everything is you
You are everything
And everything is you
You are everything
And everything is you
You are everything
And everything is you

Listen
Baby tell me are you playin me
When you're lovin me
When you're holdin me
And when you're f**kin me
Are you playin me
Playin me playin me

You are everything to me
I'm wonderin if you will see
That I will love you always

[BRIDGE]

[CHORUS]

Break it down
(You are...)

[Ja Rule]:
Uh yeah
It's Ja Rule
And Dru Hill nigga

Baby girl you tellin lies
Cuz when I look at you in your face
I can see I'm on your mind

And it don't matter what them hoes may say
I know your love is blind for me
Every bitch needs a thug nigga in their life
Truly could it be could it be you enjoy me f**kin you
While you be lovin me
Trick and destroy us mentally
That's why they freak wit me frequently
Love is life

[Nokio]:
Naw nigga life is love
Take the baddest bitch ice her up
After tour tell her to keep in touch

[Ja Rule]:
Nigga that's what's up

[Nokio]:
Bein Nokio's a bit much
Got bitches overseas that love to f**k
Got bitches in the states that love to suck
What the f**k y'all want from me
Ghetto celebrity from B-More

[Ja Rule]:
Murdera do or die from the NY

[Both]:
Now everybody get it right

[Nokio]:

N-O-K-I-O baby

[Ja Rule]:

R to U to L-E baby
Know a lot of y'all bitches hate me
Cuz ya can't relate to me
What the f**k you want from me

[Nokio]:

Let them hoes know not a thing
Ice her wrist neck ear and rings cuz you know

[Sisqo]:

You are everything

[CHORUS (3x)]

You are everything
And everything is you
You are everything
And everything is you
You are everything
And everything is you
You are everything
And everything is you
Stop
