English Translation:

Whoohoo Whoohoo Whoohoo (I don't wanna cry)
Whoohoo Whoohoo Whoohoo (Please dry my eyes)
Whoohoo Whoohoo Whoohoo (I'm fallin' down)
Whoohoo Whoohoo Whoohoo (Without you I'm fallin' down)
So many memories, I wonder what you do
I'm still like this, thinking you might come back
I'm never like this
I've never been like this
Love is so potent, I must have not sobered up yet
Fell for your so sweet words
Now alone, I'm falling down I'm falling down
I shouldn't have met you
I didn't know it would turn out like this
Are we over this easily?
Why am I eating alone again?
Watching movie alone
Singing alone and I cry and cry
You're gone, regrets are useless
Alone again today
Whoohoo Whoohoo Whoohoo Whoohoo Whoohoo Whoohoo Whoohoo
I walk alone, watch TV alone
I get drunk alone, cry and cry like this everyday
Love was sweet, under the shade of breakup
I can't fall asleep again tonight
Whoohoo Whoohoo Whoohoo Whoohoo Whoohoo Whoohoo Whoohoo
Don't tell me it's over
Hug me, who are you to do this to me
Oh ma boy (Whoohoo whoohoo)
I stay up all night crying again
Fell for your so sweet words
Now alone, I'm falling down I'm falling down
I shouldn't have met you
I didn't know it would turn out like this
Are we over this easily?
Why am I eating alone again?
Watching movie alone
Singing alone and I cry and cry
You're gone, regrets are useless
Alone again today
Whoohoo Whoohoo Whoohoo Whoohoo Whoohoo Whoohoo Whoohoo

I walk alone, watch TV alone
I get drunk alone, cry and cry like this everyday
Love was sweet, under the shade of breakup
I can't fall asleep again tonight
Whoo Whoo Whoo Whoo Whoo Whoo Whoo Whoo
I fell for your frequent cliché lie again
You played with me, who was possessed by your cheap
smile
What can I do now? Stuck alone in longing
My heart that you have abandoned feels so hollow, it
feels like an abandoned empty street
Whoo Whoo Whoo Whoo (I don't wanna cry)
Whoo Whoo Whoo Whoo (Please dry my eyes)
Whoo Whoo Whoo Whoo (I'm fallin' down)
Whoo Whoo Whoo Whoo (Without you I'm fallin'
down)
