Yeah... welcome ladies and gentlemen  
This is our new single.  
Sistars from Poland  
Thinkin' 'bout the freedom,  
I lost my way  
Baby, could u hold on?  
I've lost my way, but I ...I went so far  
I'm gonna need some space,  
I'm a tell u why  
I need, I need, need some air  
I need, I need, need some water  
O-ho o! gotta be free  
Listen what I say  
I need, I need, need some air  
I need, I need, need some water,  
Fresh water  
O-ho o! gotta be free  
And I gotta little something to say  
Feel like blooming rose  
My eyes can't hide u in  
My freedom is so close,  
I'm a ready to begin  
My eyes can't hide u in,  
You're much to proud to fit  
I'm a ready to begin  
The freedom of the spirit  
I need, I need, need some air  
I need, I need, need some water  
O-ho o! gotta be free  
Listen what I say  
I need, I need, need some air  
I need, I need, need some water,  
Fresh water  
O-ho o! gotta be free  
And I gotta little something to say  
So baby please, be with me  
Cause what I need's to be free  
Now u give it to me, now give it to me,  
Now give it to me,  
Cause what I need is freedom  
My freedom o-o ho!  
I need, I need, need some air

I need, I need, need some water  
O-ho o! gotta be free  
Listen what I say  
I need, I need, need some air  
I need, I need, need some water,  
Fresh water  
O-ho o! gotta be free  
And I gotta little something to say
