You gon get your ass whooped
You gon get your ass whooped
You gon get your ass whooped
You gon get your ass whooped

Please someone come and get him,
'cause I'm about to hit him,
I hope that suit that that bitch bought to wear to church
still fit him
he let his partners pump him
said we didn't wanna jump him
Put him in the spot,
now watch 40 Dayton niggas stomp him
I play for more then keeps
so if we beef, then bitch don't sleep
'cause I hit your block just like the city
Comin to sweep your streets,
Sniper like John Malvo
bitchs hitting the gravel
my bullets movin like they got OnStar when they travel
Bitch, I shoot hoes with accuracy
Fuck police in back of me,
Watch me use these slugs
like Noxzema clearin up your acne
I give face shots,
From two glocks
When shove come to push
don't come apologetic after you see me hop out that
bush
In black gloves, black mask,
Puttin that thing on your ass,
Jump back in my heavy Chevy
hit my weed, dash, and laugh
So check my staff,
Dayton Ave, the feds tryin to indite us,
We claim hits like terrorists
that gang bang with al-qaeda
Ya bitch.

Keep spreadin rumors hoe,
And you gon get your ass whooped
Dip in my business,

And you gon get your ass whooped
Walk in the club hatin,
You gon get your ass whooped
Buy them niggas off Dayton
You gon get that ass whooped

Thats why I bust 2 when my shot left from this fuckin

Somebody should have told him,
But then they try to hold him,
Pick him off the floor, kick him out the door,
Thats where we fuckin threwed him,
My street we had to crown him,
But then we tried to drown him,
Tied to a weight in Devils Lake,
thats where they fuckin found him,
somebody call the coppers,
Them boys done brung them choppers,
We whoopin ya'll ass in the club,
and can't nobody stop us,

Don't get fucked by my whole crew, or wind up in
