What's up  
If you from flint  
Get out ya seat  
Get up of your ass  
Drink your brew and smoke that grass  
We fixin to rock from pontiac to lansing back to  
saginaw to detroit  
And take over in every club  
Bootleg, shoestring, and the muthafuckin backstabba  
Ehh, we gonna do it like this

I'm sayin what's up to the muthafuckin flintstone thugs  
Just drink your brew and smoke that bud  
Three off muthafucka's from around the way  
If you not from flint than you get no play  
I go to lucky's, ditty boys, and to charlie c's  
I go to skate in clc cause it's in a mix  
I like drinkin at the vets ? ? ? ? ? ? ?  
Tdf is in this bitch cause we da boys from the avenue  
Maniac lunatic and you know that I'm tellin it  
Bitch's head in my way, you know that I'm swirlin it  
So all you punks take your weak ass to school  
Be calm and cool don't be no fool  
I'm talkin north and northwestern, and central too  
K.c. and joyce we gonna rock for you  
I'm sayin peace to my homies a whether b  
Fred dogg s p double e d y cause that's my type of guy  
Dewalt evans and bigj ski into the muthafuckin job  
done by my boy joe b  
Seaten hall is in the house and dayton is too  
Wesely is down, cause it's in flint town  
So all you flint muthafuckas listen to what I say  
Throw you hands in the air hooray hooray  
I'm sayin peace to my brother and my sista too  
I'm sayin peace to the heinkle's and the dorsey's crew

(chorus)

Where the fuck are you from ffffff flint town  
Where the fuck are they from ffffff flint town  
Where the fuck are you from ffffff flint town  
Where the fuck are they from ffffff flint town  
Where the fuck are you from ffffff flint town

Where the fuck are they from fffffff flint town  
Where the fuck are you from fffffff flint town  
Where the fuck are they from fffffff flint town

My name is ira dorsey  
Let my name be known  
I'm the man thats killin bitches  
Leaving stitches in nigga's domes  
Flint is clossin in on me  
But still I'm not friendly  
The trama in my life  
Through different phases, it sends me  
I grew up as a shorty knowin broke wasn't cool  
Now I got a workin girl in almost every high school  
Pump this in your nissans, beamers, and trucks too  
And if your not from flint then it's like straight up fuck  
you  
The city that I'm from is just a dot on the map  
Where dope houses get robbed and most of the clubs ?  
? ? ? ? (dem shouts)  
Michael jackson said it don't matter black or white but it  
should  
Cause flint michigan's a long way from hollywood  
I tried to go to college but I saw myself stuck in flint  
Beside them college folks don't want no po male black  
resident  
Flint michigan's a prison and we all are locked up  
The only good jobs are the jobs that could be rocked up  
Refused to work for burger king and still be livin po  
How can you work for burger king an live in a condo  
My city's being fuck by your system, that's evident  
Puts bullets in a brother at a club back to ignorent  
Special shouts to big boomer, personal autograph  
And shouts to all those niggas I forgot down on dayton  
ave  
There's one more thing you should know before I go  
with the sound  
Who the fuck is y'all to tell ? ? ? ? ? (brent) not to leave  
this town

(chorus)

Where the fuck are you from fffffff flint town  
Where the fuck are they from fffffff flint town  
Where the fuck are you from fffffff flint town  
Where the fuck are they from fffffff flint town  
Where the fuck are you from fffffff flint town  
Where the fuck are they from fffffff flint town  
Where the fuck are you from fffffff flint town  
Where the fuck are they from fffffff flint town  
Where the fuck are you from fffffff flint town  
Where the fuck are they from fffffff flint town  
Flint is dominated  
But never immatated

The others perpatrared  
But still we regulated  
The dayton family is a nation  
To build a new creation  
To take a vacation that is an occupation  
Flint ho's is steady sackin  
Flint nigga's steady jackin  
Them fiend's is stead crackin  
Some pimp's is steady mackin  
Some homies chasin jason  
Them cops is steady macin  
Just because he's basin  
Many years this nigga facin

No money so you lootless  
No cain so you tootless  
No food in your digestive system so your booty  
pootless  
But niggas wearin dickies, but some are bein picky  
They see me in my packas and these bitches wanna  
lick me  
Groove to the sounds of the tdf  
Takin ova like rova till there's no time left  
On stage in a rage  
We might get payed  
We can tell you where we're from but not our age  
From the f to the l to the i-n-t  
To the d-a-y-t-o-n a-v-e  
So just shake your body and don't you quit  
Other cities say they're number one, but that's hoeshit

(chorus)

Where the fuck are you from fffffff flint town  
Where the fuck are they from fffffff flint town  
Where the fuck are you from fffffff flint town  
Where the fuck are they from fffffff flint town  
Where the fuck are you from fffffff flint town
