Where my ganstas at, where my bitches at
Where my soldias at, where my killas at
Ya'll motha fucka's ready to ride (let's ride)
Ya'll motha fucka's ready to ride (let's ride)
Dayton Family 2002
Let's go
Everybody get prepared and ready
Cause my palms are getting sweaty
Armageddon is commin and Dayton family is ready,
for war
All my soldias stand tall, fo sho
I'm givin you what you've been waiting for, Bootleg!
I need a bitch to bleed in beg, sufferin till the end, the
whole world is dead
I'm ready to die, but I'm more eager for killin,
Anxious and paranoid is describing the way I'm feelin
Niggas is phony like hobos without bologna
wanna catch me alone so you can whip your straps on
But fuck yall, till the day I murdered em' all
Stack em tall like you be da Paul, or don't stack em at
all
Bitch you never see me crawl, never see me run
In fact the only thing you see'n is the barrel of the gun
You need to let off
Any time it's getting set off
Take a deep breath and blow your fuckin head off
And they got me, said that some niggas is just tryin to
cop me
Bitin the day stoppa make the shit sound slum
There's only one Dayton Avenue and one family
And that's all it's ever been and that's all its gunna be
Fuck Em'
My objective in this game is squeeze triggers for
figures
So get prepared for the realist shit you ever saw
Bootleg is you brining the raw?
The last outlaws
(Chorus)
Come on my niggas is you ready to ride
Wit some outlaws, outlaws
With the last outlaws
Bitch niggas getting used fo sho

Out Out Laws

Cause we the last fuckin outlaws

What bunch of rappers think your ready for war

Dayton Niggas just walked in the door

Now in da braw, ain't no fakin, don't nobody move

You get this pump, hear this gage goin Thump Thump

Ain't nuthin left, Ain't no motha fuckin rules nigga

So fucka a breath

You got me searchin for yo momma house, right down

Till he worries stay, then get away the toupee

And ain't no lookin back, Feds got yo ass jacked

Put you for a stack, then whip you with a black mat

Motha Fuck your boys, I run through ya'll like Tonka

Yo click, them niggas phony, walk em into war and play
