Finally I figured out,  
But it took a long, long time.  
But now there's a turnabout...  
Maybe 'cause I'm trying.

There's been times, I'm so confused.  
All my roads, They lead to you.  
I just can't turn and walk away.

It's hard to say what it is I see in you,  
Wonder if I'll always be with you.  
But words can't say. And I can't do  
Enough to prove,  
It's all for you.

I thought I'd seen it all  
'Cause it's been a long, long time.  
But then we'll trip and fall,  
Wondering if I'm blind.

There's been times, I'm so confused.  
All my roads, They lead to you.  
I just can't turn and walk away.

It's hard to say what it is I see in you,  
Wonder if I'll always be with you.  
But words can't say. And I can't do  
Enough to prove,  
It's all for you.

Rain comes pouring down,  
Falling from blue skies.  
Words without a sound,  
Coming from your eyes.

Finally I figured out,  
But it took a long, long time.  
But now there's a turnabout...  
Maybe 'cause I'm trying.

There's been times, I'm so confused.

All my roads, They lead to you.  
I just can't turn and walk away.

It's hard to say what it is I see in you,  
Wonder if I'll always be with you.  
But words can't say. And I can't do  
Enough to prove,  
It's all for you.

It's hard to say,  
It's hard to say,  
It's all for you.
