Rock on gold dust woman  
Take your silver spoon  
Dig your grave

Well it's a heartless challenge  
Pick your path and I'll pray

Wake up in the morning  
See your sunrise loves to go down

Lousy lovers  
Pick their prey but they never cry out loud, cry out loud

Well did she make you cry  
Make you break down  
Shatter your illusions of love  
Is it over now  
Do you know how  
To pick up the pieces and go home

So rock on  
Ancient queen  
Follow those who pale in your shadow

They say that rulers they make bad lovers  
You better put your kingdom up for sale, up for sale

Well did she make you cry  
Make you break down  
Shatter your illusions of love  
Is it over now  
Do you know how  
To pick up the pieces and go home

And go home...

Ooh, pale shadow of a woman  
Ooh, black widow, oh yeah  
Ooh, pale, she's a shadow, she's a dragon (Taken by,  
taken by the sky)  
Gold dust woman (Taken by, taken by the sky)

Tell me  
Tell me  
Tell me  
Tell me  
Tell me  
Tell me  
Tell me, tell me, tell me, tell me

Did she make you cry  
Make you break down  
Shatter your illusions of love  
Is it over now  
Do you know how  
To pick up the pieces and go home

Tell me did she make you cry  
Make you break down  
Shatter your illusions of love  
Tell me is it over now  
Do you know how  
To pick up the pieces and go home  
Go home...  
And go home...
